

# SUMMER SOLSTICE 2010 BEACH VOLLEYBALL TOURNAMENT

The B & G 'Bee Gees' pose after their final match

On Saturday, June 19th at the Garneau Community Beach Volleyball Courts, North America's oldest and largest non-secret Fraternity, Delta Upsilon of U of A, held it's annual Summer Solstice Beach Volleyball Tournament with the proceeds going to Boys & Girls Clubs of Edmonton.

It was a beautiful day that saw students & alumni, both young and old and of varied skill sets, compete against one another for a great cause.

Boys & Girls Clubs of Edmonton's own "Bee Gees" partook in the tournament winning it's first match then losing it's second and third match. The third match saw the B & G Bee Gees lose a heart-breaker in the 3rd set by one single point.

"We had a really great time at the Summer Solstice. Everyone involved was in great spirits from the get go. We may not have been the best team out there but we certainly gave it our all and we had a lot of fun. In the end it's about the cause and today was a great day for Boys & Girls Clubs of Edmonton," says Manager of Public Relations and "Bee Gee" team member Stephen Kufske.

For the past 25 yrs B & G Clubs of Edmonton has been the recipient of proceeds from this Event. After all was said and done \$850 was raised for the Clubs.

The Delta Upsilon was founded in 1834. They are committed to Building Better Men through their four founding principles, friendship, character, culture, & justice, that challenge our brothers to expect nothing less than excellence from themselves and others. They are the world's only international fraternity committed to sharing our ideals, symbols, and rituals openly.

Thank you to The Delta Upsilon for their continued support of our organization through this great Event.
